

**TO THE FUTURE**  
To honor children's creativity, CushCush Gallery hosted an exhibition titled "Drawing Future". The opening took place on February 24, and was officiated by Australian Consul-General to Bali Dr. Helena Studdert. About 100 invitees attended this event, including the six artists who played a role in the Charcoal for Children session, including Reno Ganesha, Noella Roos and Nyoman Wijaya.
