

Charcoal for Children

<http://www.theyakmag.com/charcoal-for-children/>

December 2016

CushCush Gallery has gone dark and dusty with its latest program – Charcoal for Children. The program is part of LagiLagi initiative that aims to encourage creativity amongst children and is free for children 8-16 years old.

In each session, the process of making charcoal is shared with participating children before they explore different techniques and work together with invited artists to create collaborative artworks. By the end of the session, children will have an idea of what is charcoal, how it comes about, and lots of fun creating works together with artists and volunteers from creative communities. At the end of 3 sessions, all the collaborative artworks will be presented as a charity group exhibition as a celebration, and works sold to raise funds for future CHARCOAL FOR CHILDREN program.

CHARCOAL FOR CHILDREN session 3 will be held on Saturday 21st January 2017 at CushCush Gallery. If your child is interested, you may register to Merlins at 0361 242034, or email to ballilagilagi@gmail.com
