The LagiLagi social initiative is working together with three celebrated performing artists to present original plays in February at CushCush Gallery in Denpasar, Bali.

This effort sees LagiLagi collaborating with Papermoon Puppet from Yogyakarta, Kawamura Kohey from Tokyo and Monez & Ninus from Bali. Their plays will be performed on the weekends of Feb. 2-4 and Feb. 23-25.

Tickets will be sold at Rp. 500.000 (US\$37) for premiere shows and Rp. 100.000 for regular shows, with seats limited to 50 to enhance the intimate viewing experience.

All the plays are the result of a series of Charcoal for Children workshops by LagiLagi designed to explore and discover the local heritage.
